

Black Horse One is proud to present Equestrian Hub for The Sydney CDI featuring our new Entry System. Athletes and owners will now be able to complete their entries, stabling and accommodation and then use the same system to manage their competition and view their scoresheets in one place. A rider/owner can enter several horses on the same entry **but only one rider per entry. Please pay attention to entering the correct owner details and prize money payment details for each horse.**

To begin, head to <https://equestrian-hub.com> and create an account (if you have previously used the Black Horse One Dressage Dashboard to view your scoresheets, you can use the same credentials to log into equestrian-hub), and select The Sydney CDI.

You can log in as an Athlete or Owner etc to enter your horses provided the horses are ridden by the same rider. **If owners are entering horses with different riders, a separate entry form for each rider is required.**

You will be asked to create a horse the first time you enter a competition, additional horses can be added at any stage.

If you have a technical difficulty with your entries, please contact Black Horse One Support at [support@blackhorse-one.com](mailto:support@blackhorse-one.com).

Before you start the entry process we suggest you have this information handy ready to enter.
