We will review the grounds on Monday morning and if possible we will move campers from the NCP (north camp area) into the South Camp site if possible. Some campers have been allocated a sit in the South Camp area and if the ground is too wet those campers will be relocated to North Camping or P1 or P3.

NCP Campers can decide to move to either the P1 (overlooking main arena) or P3. Both areas have power outlets, sealed surfaces and amenities. Please advise on arrival where you will be camping so that we have a record of where people are.

Please do not park in a site you have not been allocated or your vehicle will be towed away. If you park in areas where you shouldn't and get bogged it is at your own risk and it is your responsibility and expense to arrange a tow-truck to pull you out
