

# SYDNEY CDI

30 April - 3 May 2025 Sydney International Equestrian Centre [www.sydneycdi.com](http://www.sydneycdi.com)

## *Thank you for supporting the event!*

Attached is the status of entries. This is a preliminary indication, and some adjustments may be necessary if we discover problems such as: a horse in the wrong competition, missing entries or if we are unable to resolve or verify performances queries.

If your horse's name is missing the reason could be that the horse has no performance at the level entered; the results submitted were below the required performance standard, results were not within the qualifying period or results could not be verified. We have had issues with verifying performances this year due to problems with the accessing reliable results. We have advised riders whose entries have not been accepted.

Please let us know as soon as possible if there are errors in the names of riders, ID numbers (bridle numbers) and horse owners.

Unfortunately, the Para-Equestrian competitions have been cancelled due to lack of entries.

A new event will be set up on Nominate for those wishing to add shavings or stable/camping days. No new bookings will be taken for Tack rooms without consultation as demand for stables is high. The link can be found on competitor page of the website.

Please check with Toni before booking a cabin as we are close to capacity. We will post a preliminary list on the website soon.

Regular newsletters will be sent to you to keep you posted but please check the website regularly for updates.
