

SYDNEY CDI

29 April - 2 May 2026 Sydney International Equestrian Centre www.sydneycdi.com

Thank you for supporting the event!

Attached is the status of entries. This is a preliminary indication, and some adjustments may be necessary if we discover problems such as: a horse in the wrong competition, missing entries or if we are unable to resolve or verify performances queries.

If your horse's name is missing the reason could be that the horse has no performance at the level entered; the results submitted were below the required performance standard, results were not within the qualifying period or results could not be verified. We have had issues with verifying performances this year due to problems with the accessing reliable results.

Please let us know as soon as possible if there are errors in the names of riders, ID numbers (bridle numbers) and horse owners.

A new event will be set up on Nominate for those wishing to add shavings or stable/camping days. A link will be added to the competitor page of the website.

Please check cabin availability with Toni before booking. We will post a preliminary list on the website soon.

Regular newsletters will be sent to you to keep you posted but please check the website regularly for updates.

Thank you,

& the Sydney CDI Organising Team.
