

OTTO SPORT AUSTRALIA - 2019 Sydney CDI Freestyle Music Check

Freestyle competitors: There will not be a time set aside for riders to practice their freestyle on their horses during the testing of their freestyle music for all freestyle competitions **except** for the CDI Grand Prix Freestyle on Saturday morning.

All other playing of freestyles will take place in the **Rider Retreat**. Refer below.

We would like to stress that it is the responsibility of the rider to organise to get their music in on time and show up or send someone to check your music.

MUSIC FOR FREESTYLES

Music can be submitted in the following options:

A) **upload music via the internet** www.uploads.musikur.com.au/2019/sydneycdi

- WAV or MP3 files are preferred.

B) **bring your music on CD or memory stick to the event and hand in to the Rider Info Desk.**

- Music delivered at the venue should ONLY be in **.mp3 format**, nothing else.
- File name should be:
RIDERNAME_HORSENAME_CLASS.mp3 (JASMINE_HAYNES_UMBRO_CDI-Y.mp3)
- Memory sticks are to be in an envelope with the name of horse/rider and competition clearly written on the envelope. The sound operator will collect all music from the office each day to prepare for the test. When checking your music personally, the file can be loaded, checked that all information on the file is correct and in the correct format AND its **actually the correct file**. This will avoid any delays and embarrassment or issues during the competition.
- Each rider will be checked off the list stating they have delivered their music and have confirmed it is the correct file for competition.

Please have a backup memory stick or CD with you. Note: Riders are wholly responsible for ensuring they have appropriate backups for their music
